Cambiare in 45 mosse: Mettere in pratica il Pensiero Trasformativo (Italian Edition) Fabio Sinibaldi, Sara Achilli

Il pensiero rappresenta lo strumento più ricco e complesso a disposizione dell'uomo. Questo libro ne analizza le caratteristiche e le potenzialità da una prospettiva che integra lo studio della mente, le più recenti scoperte di PNEI e Neuroscienze insieme ad una prospettiva evoluzionista ed etologica. Il testo evidenzia il potere del Pensiero Trasformativo, secondo i suoi tre cardini: Produttività (ovvero fare senza sofferenza ciò che è utile o ci soddisfa), Creatività (cioè potenzialità generativa dell'uomo che pensa e produce qualcosa di nuovo) e Libertà (poter scegliere senza vincoli imposti dall'esterno o dall'interno). Si tratta di un libro snello, pratico e operativo, che offre un metodo di lavoro e 45 idee (più 7 bonus) su cui lavorare giorno per giorno, in modo da passare da "pensare una buona idea" a "metterla in pratica cambiando". Si tratta di un metodo e di contenuti che possono essere usati così come vengono presentati, oppure integrati in differenti pratiche e approcci per il cambiamento.
