## **College: The Real Story...and other acts of shameless debauchery** Joe Wolf

A raunchy egomaniac and his offensive, shameless stories of college. Joe Wolf gets excessively drunk, does drugs, and disregards all socially acceptable norms. This book is not for the faint of heart, it's for those that want to relive college until they cry from laughter because "it's only funny cuz it's true".

Everyone knows a guy like Wolf, but getting to dive into what is running through his brain at the time is priceless. The stories are cocky and irresponsible, but that's what makes it so funny. This book is ridiculous in all the best ways, it's hard to believe Joe Wolf is still alive.
