Early Christian Thought in its Jewish Context

Early Christian Thought in its Jewish Context

The theme is the continuity and discontinuity between early Christianity and its Jewish parent. The formation of Christian thought is currently the focus of much debate. These essays cover the historical and social context of Palestine and the Diaspora; the New Testament canon and noncanonical writings; and central themes. The concise treatments, with bibliographies, of intensely topical questions by international experts will be of interest and value to teachers and undergraduate students of the New Testament and Christian origins.
