Mas pendejadas celebres en la historia de Mexico (Spanish Edition) Antonio Garci

Un libro historicamente divertido para curar la resaca de los festejos del Bicentenario. Despues del Bicentenario, solo nos queda la resaca de la realidad nacional. Y nada como el humor para curar los efectos colaterales que politicos, lideres sindicales y gobernantes provocan con sus "errores involuntarios". Por esa razon (y dado que era imposible ponerlos "todos" en un solo libro), Antonio Garci continua con su recorrido historico, e historico, para demostrar por que ahora, mas que nunca, cobra vigor el adagio popular "Como Mexico, no hay dos!". En este libro no hay buenos ni malos, heroes o villanos; solo hay pendejos, con lo cual descubrimos que los grandes personajes de la historia eran exactamente como nosotros.
