Leading horses down a road engulfed with a raging blizzard in the dark Montana night, a vintage pink Cadillac comes crawling to a halt with the hum of an electric window opening. A feminine voice calls out to the one wearing a black Stetson cowboy hat through the tumultuous winter storm. There was an offer-there were only minutes to decide. Sam Travis suddenly enters the warm and sunny, luxurious life of the rich and famous at a Palm Beach polo club while stumbling onto a stalled drug operation. Throw in a few bad guys to find "the girl" connected to the drug mishap and a host of zany and dubious characters, the bronco-buster Sam finds himself on a roller coaster ride chock full of mystery, excitement and intrigue. To top it all off, Sam's inner temperaments ignite an inferno of rebellion within. Hokey Smokes!... The soul of the Montana cowboy has 'say' in the whole darn thing! Facts and fiction weave through this fun madcap adventure with two and four legged creatures, plus the inner cast of savvy versus rabble-rousing temperments, that has the main players rising to their own oscar winning level.
