## **Shaka Zulu: A Play** Jonti Marks

There can be little doubt that Shaka was a great emperor. A contemporary of Napoleon, he subjugated and ruled over an area larger than his more well-known European counterpart. The fact that, for so long, he remained so little known is, perhaps, a reflection of the popular European idea of the time that nothing "great" could come out of Africa. Shaka's life-story is interesting in itself and this play is an attempt to redress the historical imbalance but it also invites us to consider that the time has perhaps come when we might be ready to re-define all our ideas of greatness.

The Shaka Zulu: A Play will give you new experience in reading through a book.

#### **Martin Kelley:**

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Shaka Zulu: A Play can make you experience more interested to read.
