The River Why David James Duncan

The classic novel of fly fishing and spirituality, originally published in 1983.

Since its publication in 1983, THE RIVER WHY has become a classic. David James Duncan's sweeping novel is a coming-of-age comedy about love, nature, and the quest for self-discovery, written in a voice as distinct and powerful as any in American letters.

Gus Orviston is a young fly fisherman who leaves behind his comically schizoid family to find his own path. Taking refuge in a remote cabin, he sets out in pursuit of the Pacific Northwest's elusive steelhead. But what begins as a physical quarry becomes a spiritual one as his quest for self-knowledge batters him with unforeseeable experiences.

Profoundly reflective about our connection to nature and to one another, THE RIVER WHY is also a comedic rollercoaster. Like Gus, the reader emerges utterly changed, stripped bare by the journey Duncan so expertly navigates.
