## **Green Eyes** Ari Eastman

*Green Eyes* is Ari Eastman's second collection of poetry filled with an assortment of love letters to the past, hopes for the future, and raw confessions about the present. Unapologetically honest in her writing, Eastman reminds us there's no shame in telling the truth and just how much strength can exist in vulnerability. Ari Eastman is a spoken word poet, writer, and YouTuber who will tell you random facts about sharks (if you're into that kind of things). She strongly believes in balancing the feels and the funnies. And is always down to split a cup of frozen yogurt. Just don't make fun of her for still liking gummy bears.
