Lucy Daniels' dreams are finally coming true. After three years of working for one of the youngest, most ambitious CEO's in Dallas, she has the opportunity to leave it all behind and begin her career as a photographer.

Lucy's girlfriends think she's nuts for leaving a job that pays well and includes a boss who doubles as eyecandy. What they don't know is that Christopher James Barden the Third may be pretty to look at but he has a giant stick up his ass.

However, Lucy is about to discover that Chris Barden has been fighting his attraction for his gorgeous, extroverted assistant since she started working for him. Now that she intends to leave, she's fair game. Because Chris has wanted Lucy for a long time and he always gets what he wants.

This novella is the first in the Not Safe For Work series. Each book contains a HEA for the hero and heroine.
