WEREBEAR ROMANCE

****A Fun, Standalone Werebear Shifter Romance with No Cliffhanger****

Bodacious babe Alexis uses back channel communications and shifty schemes working in the shadows as a political fixer. She hasn't met a client or a problem she couldn't fix.

Then along came David, a werebear, seeking to hire her as an activist for equal rights for his clan of bears. Alexis quickly agrees, partly due to her extreme attraction for the tall dark and handsome man before her and partly because of her strong political feelings of equality for all minorities, however bizarre.

But when things start to get a little hairy and her attraction starts to become something else, Alexis wonders if maybe she bit off more than she can chew. Only time will tell.
