Learn to listen for the ideal name!

The Perfect Baby Name is the first book of its kind-providing parents with a creative approach to selecting first and middle names that sound good with readers' surnames. A good combination of names is pleasing to the ear, easy to remember, and can help a child be popular and successful in life.

Utilizing the techniques found in poetry and phonetics, parents will discover how to examine a surname by the sum of its parts-and match it with the perfect first name. With this unique new method, parents can choose the baby name that everyone is looking for: the perfect one!

Here's how it works with the surname Green:

Break down the sounds: G, R, long E, and N. These are the four different sounds (or phonemes) in that name. Now refer to those four different lists in the back of the book.

The G list has names like Hugo and Morgan...

The R list has Rex and Aurora...

The E (long) list, Eli and Alicia...

The N list, Nathaniel and Lindy...

All of these names sound good with the surname Green, so now it's just a matter of personal preference. Readers can scan the lists for the name they like best and choose the perfect match!
