Timeless treasures remain hidden until someone dares to look from a new perspective.

Such moments have been marked in history as breakthroughs or revolutionary.

The significance of Bible's stories is such a treasure. Only with a new perspective, we can mark our time in history as a new spiritual revolution.

There's an urge for a breakthrough on a personal level, and on a global scale as well, that 'The Ropes of Heaven' attempts to lay the foundation for.

This book is meant for the one seeking, asking, and knocking on heaven's gate, hoping that one day the door will open and your situation will change radically and permanently.

But expectation and perseverance in what seems to be an illusion are exhausting. Such times can be extremely frustrating and may result in a hardness of heart and a wandering far from purpose, fulfillment, and achievement.

The Ropes of Heaven aims to bring up to our understanding the spiritual laws and the practical steps needed for us to fulfill dreams, achieve goals, have prayers answered, and make wishes come true.

The Ropes of Heaven is more than a book: it is a primary and essential piece within the movement of awakening to the true reality of things, the truth that has been ignored by generations.
