Not the Terrible Twos...

But A Simply Terrific Year!

How do I respond when my two-year-old tells me "NO"? Can my son's frequent ear infections be affecting his speech? Should I work on my daughter's math skills now?

Two is that exciting age when your baby becomes a real little person with a will of his/her own! And this special year profoundly shapes your child's way of dealing with the world. Now you can become your two-year-old's best teacher. Advice from the trusted editors of Parents, America's #1 family magazine since 1926, helps you foster your child's new social and motor skills, budding independence, and thirst for knowledge. You will discover how to set safe limits, tame a tantrum, start potty training, and even take your child for a haircut without tears...as well as learn expert ways to encourage empathy and sharing.

Don't miss these features:

- Do Say/Don't Say (scripts of responses to various situations)
- Is There a Problem? (signs of possible developmental delays)
- Safety First (childproofing and parent alerts)
- How It Feels to Be Me (common scenarios explained from a child's perspective)
- Developmental milestones
- A two-year-old's moods and emotions
- Typical behaviors and fears
- Parenting tips for this stage of your child's growth
- Strategies, games, and activities that enhance development
