1984 (Spanish Edition)

George Orwell

1984 (Spanish Edition) George Orwell

La novela introdujo los conceptos del omnipresente y vigilante Gran Hermano o Hermano Mayor, de la notoria habitación 101, de la ubicua policía del Pensamiento y de la neolengua, adaptación del inglés en la que se reduce y se transforma el léxico con fines represivos, basándose en el principio de que lo que no forma parte de la lengua, no puede ser pensado. Muchos analistas detectan paralelismos entre la sociedad actual y el mundo de 1984, sugiriendo que estamos comenzando a vivir en lo que se ha conocido como sociedad orwelliana, una sociedad donde se manipula la información y se practica la vigilancia masiva y la represión política y social. El término «orwelliano» se ha convertido en sinónimo de las sociedades u organizaciones que reproducen actitudes totalitarias y represoras como las representadas en la novela. La novela fue un éxito en términos de ventas y se ha convertido en uno de los más influyentes libros del siglo XX.
