## **Democracy in America** Alexis De Tocqueville

"No better study of a nation's institutions and culture than Tocqueville's *Democracy in America* has ever been written by a foreign observer; none perhaps as good." --The New York Times

From America's call for a free press to its embrace of the capitalist system, *Democracy in America*--first published in 1835--enlightens, entertains, and endures as a brilliant study of our national government and character. Philosopher John Stuart Mill called it "among the most remarkable productions of our time." Woodrow Wilson wrote that de Tocqueville's ability to illuminate the actual workings of American democracy was "possibly without rival."

For today's readers, de Tocqueville's concern about the effect of majority rule on the rights of individuals remains deeply meaningful. His shrewd observations about the "almost royal prerogatives" of the president and the need for virtue in elected officials are particularly prophetic. His profound insights into the great rewards and responsibilities of democratic government are words every American needs to read, contemplate, and remember.

### From reader reviews:

#### David Lalonde:

Book is actually written, printed, or created for everything. You can realize everything you want by a book. Book has a different type. To be sure that book is important point to bring us around the world. Close to that you can your reading ability was fluently. A reserve Democracy in America will make you to end up being smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think in which open or reading a book make you bored. It isn't make you fun. Why they might be thought like that? Have you seeking best book or ideal book with you?

#### Jeffrey Gorski:

As people who live in the actual modest era should be update about what going on or information even knowledge to make them keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by looking at books. It is a good choice for you but the problems coming to anyone is you don't know which you should start with. This Democracy in America is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

#### Peter Robey:

Is it you who having spare time in that case spend it whole day by watching television programs or just resting on the bed? Do you need something new? This Democracy in America can be the respond to, oh how comes? A fresh book you know. You are therefore out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these books have than the others?

#### Clarence Duncan:

What is your hobby? Have you heard that will question when you got students? We believe that that problem was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. So you know that little person similar to reading or as looking at become their hobby. You should know that reading is very important along with book as to be the factor. Book is important thing to increase you knowledge, except your current teacher or lecturer. You see good news or update with regards to something by book. Numerous books that can you take to be your object. One of them is Democracy in America.
