Warning: For Mature Adult Audiences. Contains language and actions some may deem offensive. M/F

RAGE

Special Agent Rachel Kegan of the Intergalactic Department of Justice is sent on an undercover assignment. She must pose as a fighter for the Galactic Cage Fighters Association, GCFA, in order to investigate the disappearances of several human women. In the midst of all the blood and broken bones common in this sport, she finds herself attracted to a half-human, half-alien fighter with an inner beast--literally.

Rage the Animal is angry that a pure human female has been hired to travel on the GCFA tour circuit. No matter what he says or does, or how hard he tries to intimidate the little human, she refuses to quit. Normally he could ignore the human, but something about her stirs his inner beast and leaves the man--unable to resist.

TALON

Lindy is finally finished with school. Now she wants a taste of freedom before she begins the life her parents have planned out for her since childhood. She admits to being sheltered but doesn't believe she's spoiled. She believes in hard work and persistence. She and her college friends are going to celebrate their graduation at the one event that has Lindy enthralled, the GCFA Cage Fighting match. She gets more than just a good show, she meets a man that fires her up and leaves her craving more. Her infatuation quickly deepens. However, she is in more danger than just losing her heart.

Talon lives his life simple and easy, just how he likes his women. But when he encounters a captivating little human, all that changes for him. He is determined to have her at any cost. He finds that once with her would never be enough and craves more. Unfortunately, he's not the only one who becomes obsessed with the little human. Someone else wants her for himself and he will kill anyone who gets in his way.

TAURUS

Maya is looking for a change of pace. Being a full blood Arian, she is sheltered against the human elements. She is tired of being kept in the dark and wants to know what the real world is like. She takes a job as a ring girl for the GCFA. The moment she meets Taurus she is instantly attracted to him but is reluctant to her charms. After Maya witnesses something suspicious, she is in danger and Taurus can no longer keep himself from her.

Taurus the Ape Man is one of the popular GCFA fighters. It's a living, one that pays well and he is in charge of what happens with his career. The females find his unique abilities appealing. Little do they know how unique his abilities were. After the abuse he suffered growing up in the orphanage and then in the breeding programs, he doesn't care to get close to anyone especially females. When he meets the halfsie Arian hired to be a ring girl, his senses go crazy. He fights his attraction but it is a losing battle. Once she is in danger, all bets are off.
