## **Human Resource Development in Small Organisations: Research and Practice (Routledge Studies in Human Resource Development)**

In its description and analysis of the current context of research and practice of HRD in small organizations, this collection of essays provides a comprehensive and critical evaluation of current approaches. This evaluation leads to an exploration of a number and range of HRD methods as they are applied in the small organization context and provides a range of examples of research and practice which will inform and support the teaching of HRD.
