[Previously published as: I AM COWBOY]

Milos Vesely, aka Cowboy, kills Nazis. After the events of SecondWorld—a failed attempt by modern Nazi forces to carry out a worldwide genocide and claim the planet for the Aryan nation—he now hunts down the enemy, most of whom are running for cover. But others, as Cowboy discovers beneath the sands of Tanis, Egypt, are searching for a way to strike again.

Hidden beneath the “lost city” is a network of tunnels and traps protecting an ancient power that predates Egypt’s mighty empires. Vesely, along with archeologist, Dr. Sarah Pasha, traverse the underground realm, heading deep into dangerous territory. But they’re not alone. Sturmbannführer Oskar Dirlewanger, one of World War II’s most infamous and violent Nazi leaders, and his Dirlewanger Brigade, fifty of the most ruthless criminals in the Reich, are closing in, bent on retrieving the ancient power for themselves and resurrecting SecondWorld.

Trapped and on the run, Vesely and his lethal aim must face off against an army, but Nazis are far from the most dangerous element beneath the hot sands. Upon finding the ancient power source, Vesely not only recognizes it, but knows where it came from: Atlantis.

Jeremy Robinson builds on his novel, SecondWorld, with this non-stop novella, maintaining the frenetic pace, expanding the history and creating an ending that will keep his readers speculating for years to come. Combining the adrenaline rush pacing of Matthew Reilly and the ancient mystery of James Rollins with a dash of Indiana Jones, Nazi Hunter: Atlantis is a fast-paced battle through history featuring one of Robinson’s most beloved character’s.
