Soulful Sex: Erotic Tales of Fantasy and Romance Volumes I & II Diana Laurence

"Soulful Sex: Erotic Tales of Fantasy and Romance Volumes I & II" combines the stories from Diana Laurence's bestselling and award winning ebooks in one paperback collection. Diana's unique brand of "erotica with soul" presents sensuality in a tasteful and literary way. Her themes and styles traverse the map of romance: from the lighthearted fantasy world of the "Vernal Night" Trilogy, to sexuality's dark side in the vampire tale "Pints." Diana takes original looks at classic heroes: the magician, the celebrity athlete, the warrior-priest. The twelve stories in this combined collection offer something for everyone: contemporary tales from the office and the Appalachians, a science fiction story, and even a fairy tale.
