[(The Action Research Guidebook: A Four-Stage Process for Educators and School Teams)] [Author: Richard D. Sagor] published on (January, 2011) Richard D. Sagor

In this book Sagor demystifies the process of action research by breaking the steps down into manageable chunks. He guides educators, students, and school teams through the process by using tables, charts, and worksheets to demonstrate his four-stage process. His four stages include: Clarifying visions/targets, Articulating theory, Implementing action and collecting data, Reflecting on data and planning informed action. This book will successfully guide its readers in creating and executing thorough action research.
