For the first time ever, a comparative survey of 95 percent of the fiberglass pocketcruising sailboats ever built

Author Steve Henkel has researched hundreds of cruising sailboats less than 26 feet long--pocket cruisers--to create this definitive gallery and handbook of the small cruising sailboats built in the last 45 years.

With detailed plans, specifications, performance indexes, and commentary for every model the author could find (360 in all!), *The Sailor's Book of Small Cruising Sailboats* is your ideal core reference for the used and new boats you see on the water.
