The Seed Thief Jacqui L'Ange

When botanist Maddy Bellani is asked to travel to Brazil to collect rare seeds from a plant that could cure cancer, she reluctantly agrees. Securing the seeds would be a coup for the seed bank in Cape Town where she works, but Brazil is the country of her birth and home to her estranged father. Her mission is challenging, despite the help of alluring local plant expert Zé. The plant specimen is elusive, its seeds guarded by a sect wary of outsiders. Maddy must also find her way in a world influenced by unscrupulous pharmaceutical companies and the selfish motives of others. Entrancing and richly imagined, *The Seed Thief* is a modern love story with an ancient history, a tale that moves from flora of Table Mountain to the heart of Afro-Brazilian spiritualism.

It traces a tale of redemption and seeking love and truth with the beauty of a symphony. I have seldom read a book as beautifully imagined, executed and felt.' Cape Times 4. 'The Seed Thief is a rich tale that is part quest narrative, part story of self-discovery and awakening ... It's a novel that feels like a dream you can remember for only an instant upon waking, and then floats away into the ephemeral, leaving behind only a warm glow and a desire for more.' Essentials
