Wind Dancer Jamie Carie

Raised in a British-held frontier town during the American Revolution, Isabelle Renoir is not like other women around her. A free spirit, she dances in the moonlight as a praise offering to God and is more at home fearlessly taking her long rifle and knife into the woods for adventure and inspiration.

But Isabelle's latest journey may be more than even her strength can handle when a huge storm throws the raven-haired beauty off course and into the path of rugged American spy Samuel Holt. After matching wits and denying their passion for each other, they are attacked by Indians, held prisoner, and forced to watch the horrific killing of Isabelle's brother. Now together but in captivity, they must fight spiritual forces that no knife or rifle could ever conquer in order to be free.
