Yasmin Ahmad's Films Amir Muhammad

Yasmin Ahmad left a vibrant legacy, and it is still strange to talk about her in the past tense. In order to deal with his grief, Amir Muhammad, fellow Malaysian filmmaker and friend, watched anew her six feature-length films (RABUN, SEPET, GUBRA, MUKHSIN, MUALLAF and TALENTIME), as well as several of her most popular commercials. Neither an obituary nor a conventional work of film criticism, this book was written just a month after her funeral and is Amir's personal look at the stories, but with quite a few tangents of his own. Chatty and informative, YASMIN AHMAD'S FILMS can be devoured not only by established fans but newcomers to her work. It is also a tribute to one of Malaysia's most amazing daughters. *Includes 24 pages of color photographs. All the writer's royalties from the first edition will be donated to the Mercy - Yasmin Ahmad Fund for Children.*

From reader reviews:

Gladys Myers:

The book Yasmin Ahmad's Films can give more knowledge and also the precise product information about everything you want. So why must we leave the great thing like a book Yasmin Ahmad's Films? Several of you have a different opinion about guide. But one aim that book can give many details for us. It is absolutely proper. Right now, try to closer using your book. Knowledge or info that you take for that, it is possible to give for each other; it is possible to share all of these. Book Yasmin Ahmad's Films has simple shape however you know: it has great and large function for you. You can seem the enormous world by available and read a publication. So it is very wonderful.

Jerome Chisolm:

Reading a publication tends to be new life style within this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Many author can inspire their particular reader with their story or perhaps their experience. Not only situation that share in the textbooks. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some exploration before they write with their book. One of them is this Yasmin Ahmad's Films.

Charles Collier:

Reading a book to become new life style in this 12 months; every people loves to learn a book. When you study a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you wish to get information about your research, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, along with soon. The Yasmin Ahmad's Films provide you with a new experience in studying a book.

Greg Butler:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Yasmin Ahmad's Films can make you experience more interested to read.
