All the Wrong Places Karin Kallmaker

Brandy Monsoon is looking for love. Since there's never a shortage of casual playmates at the tropical resort where she works as a fitness trainer, most of the time she gets it, too.

If Brandy tires of the perpetually curious but primarily straight women, there's her best friend Tess for a friendly encounter – safe, with no strings. After all, they're just buddies.

When an all-lesbian tour group arrives for a week, Brandy is sure she'll be in paradise on earth. The guests include lesbian celebrity comic Celine Griffin, who has an obvious interest in an after-dinner Brandy. Celine and Brandy do find explosive pleasure together -- so why does Brandy feel as if that's no longer enough for happiness?
