## **Casting Qs: A Collection of Casting Director Interviews** Bonnie Gillespie

Bonnie Gillespie's new book, "Casting Qs: A Collection of Casting Director Interviews," is a compilation of over 120 interviews with casting directors in Los Angeles and New York, all of which originally appeared in her weekly column, "Casting Qs," in "Back Stage West," the actors trade weekly.

Casting directors are the gatekeepers to every producer, director, and filmmaker in the entertainment industry. Their ability to size up and actor's fit to a role is what makes them the ones that filter the thousands of potential actors into the handful the decision-makers will see audition for one role. Actors must have an understanding of this process!

Certain actors have an edge over their competition. Part of that edge comes from being keenly aware of what casting directors are looking for. That awareness--and an actor's edge--starts here.

Other casting director guides on the market are not as comprehensive or as business-minded as "Casting Qs: A Collection of Casting Director Interviews." Bonnie Gillespie's experience as a former actor allows her to ask questions on behalf of working actors everywhere.
