## **In Search of Anne Brontë** Nick Holland

Anne Brontë, the youngest and most enigmatic of the Brontë sisters, remains a bestselling author nearly two centuries after her death. The brilliance of her two novels and her poetry belies the quiet, truthful girl who often lived in the shadow of her more outgoing sisters. Yet her writing was the most revolutionary of all the Brontës, pushing the boundaries of what was acceptable. This revealing new biography opens Anne's most private life to a new audience, and includes unpublished letters from Anne to the family to which she was governess as well as first publication of a controversial image that could be the only photograph of the three Brontë sisters.
