The author says: 'I wrote this book because I wanted to clarify many things for myself. We are all familiar with the saying, 'A life without reflection is a life not worth living.' When we reflect, we are given insights. The one thing that has greatly motivated me over the years, in my writing, and retreats, was a conviction that the message was really very simple. It is a simple message for complicated people. I do not claim any 'insider' information on God, or things of God. I present these because they genuinely did help me, and I offer them to you in the hope that they help you also.'
