Marriage to Death

Rush Rehm

Marriage to Death Rush Rehm

The link between weddings and death--as found in dramas ranging from *Romeo and Juliet* to Lorca's *Blood Wedding*--plays a central role in the action of many Greek tragedies. Female characters such as *Kassandra*, *Antigone*, and *Helen* enact and refer to significant parts of wedding and funeral rites, but often in a twisted fashion. Over time the pressure of dramatic events causes the distinctions between weddings and funerals to disappear. In this book, Rush Rehm considers how and why the conflation of the two ceremonies comes to theatrical life in the tragedies of *Aeschylus*, *Sophocles*, and *Euripedes*. By focusing on the dramatization of important rituals conducted by women in ancient Athenian society, Rehm offers a new perspective on Greek tragedy and the challenges it posed for its audience.
