A collection of fun, beautiful projects that children can make and do outside, *Outdoor Crafts* incorporates natural materials that children can find in their backyard, or that they've grown themselves in a garden or pot.

The book is divided into three sections — Make It, Cook It, and Create It. In Make It, children can create labels for the garden, decorate flower pots, and make a scarecrow. In Cook It, children can get recipes for muffins, blueberry cheesecake, lemon ices and more using the crops from their garden. And finally in Create It, readers can learn to make a path in their garden, make paper from corn and more. In *Outdoor Crafts* the projects are complete with easy-to-follow instructions and step-by-step photography so that kids of all ages can take part and create wonderful crafts they'll be proud to display.
