A Q&A guide for mother-daughter conversations about female health and sexuality, this book targets both daughters and mothers. *Start Talking* contains more than 113 questions girls ask including questions about periods, sex, relationships, guys, eating, exercise, body development, along with similar questions verbalized by mothers. Each chapter contains basic information accompanied by real-life vignettes, questions and answers for moms, questions and answers for daughters, "Table Talk" suggestions for moms on how to engage each other around these topics. This book differs from books targeting just girls understanding their own bodies, and from books targeting just mothers on what they should know: it is deliberately meant to spark conversations.
