In the modern workplace, people with blundering disease are everywhere, he hits their wagon to a star and is lack of the perseverance and spirit of bearing hardships and standing hard work, which results in his career adrift. This book starts from the characteristics of Tibetan mastiff which is known as ""the god dog"" and refines its most well-known spiritbe loyal to their duties, insistence, determined, to innuendo some realistic problems existing in the current workplace. It goes deep into its internal essence to provide feasible countermeasures of making employees develop the professional quality of loyalty and insistence and to achieve the goal of realizing honors and disgraces, and development with enterprises.
