THE KILLING PLACE (RIZZOLI & ISLES 8) TESS GERRITSEN

Something terrible has happened in the snowbound village of Kingdom Come, Wyoming. Twelve eerily identical houses stand dark and abandoned. Meals remain untouched on dining room tables. Cars are still parked in garages. The human occupants have vanished, seemingly into thin air. This is the unsettling place where Maura Isles finds herself trapped during a snowstorm. She has joined a group of friends on a drive to an isolated ski lodge, but when a wrong turn leaves her car stranded in deep snow, she stumbles down a private road into the valley of Kingdom Come, where she takes shelter - and disappears. Days later, Jane Rizzoli flies to Wyoming to search for her missing friend. A crashed vehicle has been found with four badly burned bodies still inside. The authorities assume that one of the women is Maura. But is it? Jane Rizzoli's search for the truth leads her to Kingdom Come, where a terrifying and gruesome discovery lies buried beneath the snow.
