Detective Justice operates in a world of right and wrong, black and white. But what happens when the world doesn't play by the same rules?

In a small town, big crime is rearing its ugly head. As the layers unfold, it becomes more apparent this isn't a typical investigation. But then again, Detective Blake Justice isn't your typical detective.

When the danger amps up, paperwork and citations just aren't going to cut it. Justice will have to depend on unlikely characters to bring the sinister plot to light in a novel that is anything but standard-issue.
