Exemplary Spiritual Leadership: Facing the Challenges, Escaping the Dangers (Ministry and Mission) (Ministry Mission) Jerry Wragg

What is it that compels a group of people to follow the leadership and vision of one person? Why are the insights and pursuits of certain individuals more persuasive than those of others? In this book, Jerry Wragg investigates how leadership should be characterized in the church, and how biblical leadership must differ from the kind of leadership promoted in the world. He explores the dynamics of leadership, particularly the character traits that need to be built up or eradicated in leaders, the dangers that leaders face and temptations to which they are particularly prone, and the development of future leaders: how to recognize leadership potential and encourage leadership gifts in the next generation. Throughout, Jerry Wragg writes honestly and offers pastoral encouragement and practical guidance that will help all men placed in church leadership positions.
