Volume 2: 392 Pages Hardcover The Best Fishwrapper Stories from 2004 - 2008 Try to read this book without bursting into laughter or shedding a few tears along the way. It is next to impossible. A bit of humor, some common sense, and a ton of thought provoking ideas are sure to keep you entertained. It is filled with truly miraculous happenings along with ordinary everyday events of life with which you can relate. The title of our publication, The Fishwrapper, is derived from an old practice of wrapping fish in newspaper. Over time, the term fishwrapper caught hold as a slant toward the newspaper itself, indicating that it was good enough for wrapping fish but not much else. A comment like, "I bet you saw that in the fishwrapper" meant, "I doubt what you are saying is fact". To us, the moniker indicates good humor and sensible stories with a moral. We tell our readers if they want to wrap fish in The Fishwrapper when they're finished reading it, go right ahead. Most people reject that idea, and choose rather to pass it along to someone else. This collection from almost one hundred and twenty issues of The Fishwrapper, has been selected and arranged in such a way that it can be enjoyed by the casual reader, or used as reference material. Whether you are someone needing a jump start on a topic, an illustration to clarify a point, or some humor to break the ice, you will find this book to be an asset. The stories are compiled and categorized into subjects, and indexed by key words. This book makes a great gift for speakers, Sunday school teachers, event planners, ministers, or family and friends. Grand Ole Fishwrapper Stories (Volume II) includes over one thousand stories, together with a variety of poems, quotes, and puzzles.
