Just Because We Are The 99% Miss Mary

This book is about the year 2011 and the 99%. In a rush to punish President Obama, the 99% elected more of the "NO" party into office in the 2010 midterms. Even after eight years of economic manipulations which resulted in our financial meltdown, the 99% decided to reward the "NO" party with more representatives. This book is about the end result of that vote. It is about the 99% being 100% responsible for our economic non-recovery. The 99% diluted its power and the 99% paid the price with Republican's obsession for new abortion laws and voting restrictions. The promise of job creation was ignored by those elected in 2010. This is a book explaining the manipulation of the 99% and the 99% allowing that manipulation. Hopefully, at the end of this book, the 99% will finally be motivated to get past their subconscious racism, which makes the 99% vulnerable to divisive manipulation. Hopefully, the 99% will understand the need to stop dividing and unify.
