## **Leaving Tabasco: A Novel** Carmen Boulosa

Carmen Boulosa is one of Mexico's most acclaimed young writers, and *Leaving Tabasco* tells of the coming-of-age of Delmira Ulloa, raised in an all-female home in Agustini, in the Mexican province of Tabasco. The Washington Post Book World wrote, "We happily share with [Delmira] ... her life, including the infinitely charming town she inhabits [and] her grandmother's fantastic imagination." In Agustini it is not unusual to see your grandmother float above the bed when she sleeps, or to purchase torrential rains at a traveling fair, or to watch your family's elderly serving woman develop stigmata, then disappear completely, to be canonized as a local saint. As Delmira becomes a woman she will search for her missing father, and will make a choice that will force her to leave home forever. Brimming with the spirit of its irrepressible heroine, *Leaving Tabasco* is a story of great charm and depth that will remain in its readers' hearts for a long time. "Carmen Boulosa ... immerses us once again in her wickedly funny and imaginative world." -- Dolores Prida, Latina "To flee Agustini is to leave not just a town but the viscerally primal dreamscape it represents." -- Sandra Tsing Loh, The New York Times Book Review "A vibrant coming-of-age tale ... Boulosa [is] a master.... Each chapter is an adventure." -- Monica L. Williams, The Boston Globe
