Pots Did Stop Norman Clemens

Pots Did Stop is a palindrome meaning: no more martyrs; end of man's inhumanity to "The All." It contains over 600 original riddles (exceptions marked - "author unknown"). I introduce a new word/riddle style: Ridlosophy (riddle + philosophy): a riddle with a moral or deep meaning. Also, I'm introducing a possible novelty which I call: Clementiism - A cousin to the palindrome. It is a sentence made up of two or more phrases, which when starting the original sentence with any of the phrases and forming all possible combinations yields sentences with the same or similar meaning as the original one.
