Have a Special Night Out at Home with Seafood for Dinner I don't know about you, but for me, seafood was a special treat to have when eating out at a restaurant. It wasn't something I made at home until recently.

Guess I was just a little intimidated by how wonderful the experienced chefs in the restaurant would cook it, and didn't think I could make it this good at home. But getting over seafood cooking fears was all it took, plus a good recipe book; now it's like enjoying a special night out when cooking wonderful seafood recipes at home. Inside you will find my special night out seafood recipes... ENJOY!!
