**Anne of the Fens (The Bradstreet Chronicles)** Gretchen Gibbs

*Should Anne risk arrest and scandal to help a fugitive escape? Her decision will change her life.*

In 1628, with England torn by religious conflict, Anne Dudley helps a young rebel escape from Tattershall Castle through the watery Fens. Pursued by the sheriff and his men, who regard her Puritan family as traitors to the king, Anne risks more than her reputation as the fifteen-year old daughter of the earl's steward--she also risks death.

Set in a time when women and men were tyrannized for their religion, the story chronicles a girl coping with a woman's feelings while questioning her own beliefs. Her spirit strengthens as she survives romantic turmoil as well as the political danger that forces her family to leave England for the Colonies. As she takes up her pen we glimpse the grown Anne Dudley Bradstreet, whose poetry is loved and honored to this day.

From a talented new voice in YA historical fiction, Gretchen Gibbs' *Anne of the Fens* joins *The Book of Maggie Bradstreet* in the gripping Bradstreet Chronicles. The series--historical fiction based on written records about the author's own ancestors--can be read in any order. Each book includes an afterword with additional historical content.
