Before Bad Ink (Lunch Break SFF Series Book 1) Michelle White

In Before Bad Ink, Lily finds herself pretty pissed off, last night she gave this idiot standing in front of her the best head, he's ever had, hell the best head he'll ever HAVE, and today he doesn't even remember her. Not only that he wants a refund for that Tat she gave him.

Granted, he was drunk, but not too drunk to sign a waiver or to rock her world with an orgasm that still have the muscles in the back of her neck sore. WTF, and now she will be spending every Tuesday for the next six weeks with him removing the Tattoo. How is she going to concentrate knowing what he can do to her with that beautiful tongue and fingers? What would it feel like to go even further?

For those that need a little help getting through the rest of the day, "Bad Ink" is part of what the Author calls her "Lunch Break SFF Series," the "SFF" stands for "Sexual Fantasy Fix." These books are short and hot, just the right length to read over a lunch break, and you're guaranteed to start the 2nd half of the day with a new bounce in your step.

Some books will be part of a series, and some will be stand alone, but all come with a WARNING... Ladies, always have a dry pair of panties to change into, or the rest of the day could be a little uncomfortable. Gentlemen, well on 2nd thought, I guess you know how to relieve yourselves if the need comes up, so just carry on!
