New Adult fighter romance

Zac Rivers. A boy no one wanted to know. Always angry. Always fighting his way in and out of trouble. It was no surprise when he was expelled from school and never heard from again.

Until now.

I found him at the Londonderry Brawl, and I watched him fight like an animal. Strong. Controlled. But desperate. I sensed in him a purpose – a need to win – and I wanted to know what was so important to him. The way he fought was mesmerising, and I couldn't take my eyes off him. Then, it was over, he'd won and I needed to leave.

He didn't want me to.

When his lips met mine, somehow, he stole my heart, and in that moment, I knew my world was forever changed. I needed to know this boy. I needed to discover all there was to know about him or I'd never be able to breathe again. No one thinks we should be together. They say his bad news.

Well, people say I'm bad news too.

Then, as fate would have it, I was forced to introduce him to my most fierce protector. A man whose past is riddled with secrets and mistakes; a man who fought his way from the darkness and into the light; a man called Damien – my father.

My name is Yvonne Rhodes, although, you may prefer to call me Evie. I'm the eldest daughter of Damien and Henrietta Rhodes. Inside me, I have my mother's sense, and my father's passion.

This is Zac's and my story. It's about needing someone to the point of obsession. It's about losing control, and finding a way to pick up the pieces when everything seems broken.

And it's about love. One that's so strong, nothing can stop it.

*Drawn to Fight is a series of standalone MMA Romance revolving around the lives and loves of the patrons of Fighting Fit, a mixed martial arts gym in Western Sydney, Australia, run by Damien and Henrietta Rhodes from the Drawn Series.
