If you're afraid you might be in a "relationship" with an Emotionally Unavailable Man, or, if you just want to learn how to recognize one so you can avoid him from the get-go, then this book is for you! Emotionally unavailable men (EUMs) are some of the worst men to be in a relationship with. They don't want to form a stable bond with you; instead they choose to spend as little time as possible with you, using you for fun but not for a true connection. If you've been in a relationship with an EUM, or have been around a few for any length of time, you'll know that they come in as many varieties as there are layers in an onion. They can't be differentiated based on looks, intelligence, tastes, age, or any other easily identifiable attributes at first glance. However they do the most damage in a relationship, and are often quite mentally and emotionally scarring to be involved with. How, then, should you go about identifying them? There are plenty of traits that they do share in common, and you will be able to identify these but only if you know where to look. And that is exactly what we'll be discussing in this book.
