## **Love & Bullets (Infernum) (Volume 1)** Percival Constantine

Infernum. A shadowy, globe-spanning network of operatives run by the mysterious power broker known as Dante. They hold allegiance to no one, existing as rogues on the fringes of society. No matter the job, Infernum has an operative to execute it—provided you have the means to pay for it! Beautiful. Cunning. Deadly. These are just a few of the words that describe Angela Lockhart, former operative of the mysterious Agency. Now working as an assassin for an international syndicate called Infernum, led by a mysterious power broker known only as Dante, Lockhart has become the 'Most Wanted' for every major law enforcement agency in the world. But when Agency operative Christian Pierce begins a dangerous game of deception to try and bring her back into the fold, Angela will find herself torn between her old life and her new one... From Percival Constantine, author of *The Myth Hunter* series, comes the beginning of the Infernum series, a ruthless organization of assassins!
