Book one in The Spartan Chronicles Series When a spirited, Carthaginian slave and a noble Spartan general are thrust together, passion flourishes between the unlikely pair. But is passion enough to weather the turmoil of treachery, war and murder brewing in Ancient Sparta? Ripped from her home and forced into slavery, Lamia escapes from one master only to find herself the prisoner of another—handsome Spartan general, Thanos Aristaeus. Lamia vows never to surrender to Thanos, who openly desires her body. Yet, she never imagines he will also threaten to steal her heart. General Thanos Aristaeus couldn't have anticipated that his brief trip to Athens would yield him a spirited Carthaginian beauty...who despises his very existence. Lamia defies him at every turn, but Thanos soon learns that lurking beneath the surface of her vehement denials of him is desire—a desire which she fails to disguise and is equally matched by his own passion for her. Unable to deny the scorching attraction between them, the pair find themselves embroiled in a heated affair, one that is doomed to meet a bitter end when faced with the political turmoil brewing in Ancient Greece. Torn between their two worlds, Thanos and Lamia must ultimately decide if they are willing to sacrifice everything for a love they never imagined they would find. Treachery, war and murder—can an unexpected and unlikely love flourish when faced with such obstacles? Lamia and Thanos are about to find out.
