Rodney Hobson

Rodney Hobson, author of bestseller *Shares Made Simple*, is back with a brand new book designed to help you build a balanced share portfolio that provides dividend income, whether you're just starting out or ready to retire. Dividends - the distribution of part of a company's earnings to shareholders, usually twice a year - can be a valuable income stream for anyone. Designed for longevity but particularly pertinent in times of low interest rates, *The Dividend Investor* is packed with real-life examples and analysis of how to gain such added income through reliable shares with healthy dividends. Topics made simple with Hobson's classic style include: ratios, yield, dividend cover, the dividend payout ratio, total return, cash flow, burn rate, gearing or leverage, interest cover, earnings per share and the price/earnings ratio. Plus the advantages and disadvantages of shareholder perks. If you're looking to make the most from your investments, then this book is for you.
