## **The Scarlet Letter (illustrated)** Nathaniel Hawthorne

One of the most important novels in classic literature, Nathaniel Hawthorne's *The Scarlet Letter* tackles the subject of adultery, with the notorious Hester Prynne at the forefront of the scandal in the Massachusetts Bay Colony. In the beginning of the novel, Hester is serving time in prison for having a child out of wedlock, and is forced to wear a scarlet "A" on her clothing at all times so that she cannot run from her sin no matter where she goes. Her husband has been away for around two years, and she refuses to name the father of her daughter Pearl. The father is actually the Reverend Dimmesdale, a timid man who keeps his secret from the community.

Hester's husband returns to the colony where he finds out what has happened, and makes it his personal goal to torment the father of Pearl. He discovers that it is Dimmesdale, and tries to intimidate him. The pressure becomes too much for Dimmesdale, and after seven years of torture, the Reverend eventually admits what he has done and dies before a crowd of people. Not long after, Hester's husband also passes away, leaving Hester and her daughter enough money to escape the colony and finally have some peace. At the end, however, Hester decides to come back to the colony, and when she passes away, she is buried next to the Reverend, with whom she had been in love.
