However, Emily soon learns she and Jake didn’t leave all peril behind in the war. A mysterious ailment aboard the Zephyr begins to claim victim after victim ... and they must race against time and space to find the cause and a cure! Trapped on a ship no spaceport will allow to dock, their efforts are complicated by a temperamental princess and a terrorist—one who won’t hesitate to take down any being in the way of his target. If anyone’s left when the disease is through with them...
