Sable Sylvan

Curvy marionberry farmer and beekeeper Daisy Craston has no truck with trespassers, and when she catches three gruff grizzlies, all named William, in her marionberry fields, they don't just get her goat: they end up facing her trusty shotgun's barrel. Before Daisy has a chance to call the sheriff, the three bear shifters offer their rival an offer she can't refuse: free labor for the harvest season, in exchange for usage of her land and the right to cross her river for their moonwatching ceremonies.

The last thing that Daisy expects is for more than berries to grow on her land, but what do you get when you get one tough as nails Texan woman and three Oregonian bad boys? A heap of trouble and a bushel of loving! But first, Daisy's gotta get the werebear boys into shape and make them earn her love, in the fields...and in the bedroom. This is all business, and all pleasure.

The three Billys didn't expect to woo their mate this way. Billy, Liam, and Wylie never would have thought that a Texan woman would end up running Craston Bros. Honey, but when they learn her name is Daisy, they know she's the one they've been waiting for their whole lives. When they come up with a plan to get Daisy's attention, they never would have expected they'd end up with an opportunity to have a second chance and make a good impression. The fruits of their labor ends up being much more than honey: the real honey is their fated mate.

Daisy doesn't believe in fated mates: what are the chances that three hunky men would fall in love with her within weeks? There's no frikkin' way that it's possible...but will Daisy end up opening her mind, and her hearts, to the three bear shifters, or will these grizzlies end up alone, and more than a little gruff?

If you love sassy BBWs and bear shifters are what you live for, spicy ménages (à quatre!) are what you dream of, and fated mates are your obsession, check out Three Grizzlies Gruff! This book is a standalone novella, part of the Bear-y Spicy Fairy Tales series of remixed fairy tales.
